

Just a short note about why we would like to get these variances, if we can get the extra 9' it would allow us to put in an 'L' shape courtyard with a pool that would give us and our neighbors more privacy. The new part of the house would have no view windows on the east side, therefore it should not be an intrusion on anybody and like I said would actually give more privacy to all parties. Without the variance, part of the existing structure would have to be cut in to and would still leave limited space. We are primarily trying to improve the livability of the property. This house is located in the Mcneil Estates a very nice older neighborhood, bu the houses are getting a little age on them and need to be renovated to keep the neighborhood up to the shape it should be. Your consideration would be appreciated.

Thank you,
